Breezing through Relief Management - KAMAR Masterclass

Mark Fidler

In this session, you'll be taken through a step by step showcase of KAMAR's Relief area. We'll look at permissions and setup, how to record staff absences and how to assign relief, ensuring you have everything you need to manage the process with confidence. Key points will be initial setup including relief credits and custom absence reasons, processes for absences and scheduling relief cover and exporting to Edpay.
