Catching the Gust: Navigating the Latest Shifts in Education Payroll

Lara Ariell (Chief Executive), Gerard Aberdeen (Hautū Digital and Technology), Blaire Hunt (Hautū Payroll Service Delivery)

The school payroll environment continues to evolve, with a number of changes happening both now and over time. In this session, we'll step through what's shifting, what it means for schools at a practical level, and how we're working to support a reliable and consistent service. We'll also touch on the direction we're heading in, and what schools may expect in the future. This is an opportunity to stay informed, understand the broader picture, and know what to keep an eye on as things develop.
