Catching the Tailwinds: Xero Tips and Tricks

Craig McWilliam

Is your finance team constantly fighting headwinds of manual data entry and paper-based approvals? It's time to adjust your flight path. In this practical session, we will show you how to harness the power of the Xero ecosystem to pick up speed and reduce drag.

We will move beyond the basics of Xero and dive into the specific integrations that save School Business Managers the most time: Hubdoc for automated data capture, ApprovalMax for robust, audit-proof authorisation workflows, and Syft for better visibility. Come along to discover the hidden shortcuts and workflows that will help you glide through your month-end.
