Financial Management Practices for International Fee-Paying Education: Navigating the Knowns and Unknowns in an Era of Opportunity

John van der Zwan, John Gill, Yinka Mosis, Alys Freeman

Dr Yinka Mosis will chair a forum with John van der Zwan (SIEBA), John Gill and Alys Freeman (BM Wellington Girls College) concerning the findings of the joint study with Victoria University, SIEBA, SPANZ and SBM that is designed to help schools strengthen financial aspects of international education, align international programmes with whole-school priorities, and ensure international education continues to support both educational quality and long-term resilience.
