Future Financial Reporting: Setting the Course Ahead

Chad Britton

Annual Financial reporting for schools is changing, current requirements are overly complex, time consuming and costly to prepare , audit and understand. From 31 December 2027 all schools will use Kiwipark 2.0 (name to be finalised) for annual financial reporting. This session looks to provide some context behind the decision to change the current reporting requirements, where we are in the development of the new frame work and what you should expect over the next 18 months.
